11-17-2021

Dear Parents & Guardians,

We recently became aware of multiple students who have tested positive for COVID-19. At this time, the students are doing well and in good spirits. We ask that you please pray for a quick and safe recovery.

Out of care and concern for others, we must take all necessary precautionary measures to do our part in helping to mitigate the possibility of spreading the virus. With that said, under the direction of the Genesee County Health Department, we are responsible for quickly identifying 'close contacts', as well as continuing to clean all common touch surfaces, especially in the classroom.

**At this time, we are currently in the process of contacting all students and/or staff who have the potential for exposure during the potential infectious period.** However, we ask that all families please continue to closely monitor your child(ren) for onset of symptoms.

If your son or daughter exhibits ANY of the following symptoms, please keep them home and contact your doctor.

- Fever
- Cough
- Shortness of Breath
- NEW Loss of Taste or Smell

If your son or daughter exhibits any TWO of the following symptoms, please keep them home and contact your doctor.

- Chills/Sweating
- Sore Throat
- Muscle/Body Aches
- NEW onset of Severe Headache
- Diarrhea, Vomiting or Abdominal Pain
- Congestion/Runny Nose

If you have any questions or concerns, please don't hesitate to contact me.

God bless,

Mark Callahan

Mission Statement: Holy Rosary Catholic School is centered on the Eucharist and our community is encouraged to bring Christ's presence to everyone we meet. We follow Jesus' example through prayer, love, service, and using our talents in the pursuit of academic excellence with a deep love for learning.
