Need to Know

Swapping Days This week's swap went so well we are going to do it again! Gym will be on Wednesday and Art will be on Thursday.

Salad Luncheon Sign Up can be found here. Please consider helping out!

Staff Appreciation Week is coming! We had a successful fundraiser yesterday! Attached please find a sheet with ideas on how you can help our staff feel loved and appreciated.

Food Pantry Collection will be this Monday. Please see the flyer with information. Thank-you for supporting this important ministry of our church and school community.

New Student Round-Up will be this Thursday from 5-7PM. If you know a preschooler who is looking for a kindergarten home or an older student needing a change, please send them our way! Mrs. O'Brien will be here to give tours and answer any questions potential students may have. We would love to see lots of new students here that night!

Change in Curriculum Next year the Diocese is switching to an history curriculum instead of a social studies curriculum. This will be done in stages, so not every grade level will see a change next year. We are still learning what the change will look like as well as where the standards from the new curriculum fit with what is currently taught. We are working with the other GCCS schools to make this shift as smooth as possible and more information will be coming in the near future.
