Need to Know

Each year we have 6 days of school that we can cancel due to weather or excessive illness. We had 5 snow days this year which leaves 1 for us to have “just in case.” Before spring break, we had less than 80% of our students here on Friday, which means we could not count that day as a day of school. That leaves us with 0 days to “play with.” It is very important to have your student(s) here when we have school. This is the time of year when good weather happens and students are tempted to do other things. We are asking your help in making sure to help keep them accountable and coming to school on days when the temptation seems to great to stay home. We do have the **Bishop's day off**, which will be Friday, April 24th. **If we dip below 80% attendance** between now and then, we will have to cancel that day off and have school. I don't see that happening, but I wanted you to be aware of our days just in case.

Swapping Days For the next 2 weeks we will be swapping art and gym days. Gym will be on Wednesday, so students will need their gym shoes then. Art will be on Thursday, so students will need to wear older shirts in case things get messy.

Salad Luncheon Sign Up can be found here. Please consider helping out!

Staff Appreciation Week is coming! The first full week of May we will be celebrating our staff. There will be a special day next week where students can pay to wear jeans to raise money to spoil our staff. Be looking for more ways to celebrate them next week.
