What an amazing past few week we have had at Holy Rosary. Between the fun Homecoming week activities, fantastic learning in the classroom, and the blessing of the spiritual encounters including all school mass, a living rosary, and our 8th graders joining the other GCCS 8th graders at Powers, it truly was a wonderful two weeks.

With Homecoming, Conferences, and Fall athletics coming to a close, we turn our attention to the final two weeks of the first quarter. **Please be sure to keep an eye on FACTS portal to track how students are doing in their classrooms.** With this day and age of helpful technology, I hope that no family is ever surprised or in the dark on how well their child(ren) are doing or if there is need for more support to ensure they do well.

Big Announcement, with the weather seeming to remain unusually warm for this time of year, I have extended shorts for another week. Note, this is Michigan where the morning you may need a coat and by midday it is an Inferno! Please be sure kids have appropriate clothing as we will be outside on any day it isn't raining.

One special note of thanks that is front page worthy is a shout out to Mr. Greg Ellsworth and Mr. Randy Hazard for assisting Mr. Jeff in putting up the absolutely beautiful school crest on the main gym. It was a large undertaking to get the very big and heavy sign up on the wall for all to see and we are so appreciative.

I pray everyone has a safe and blessed week.

Prayers and blessings.

- Shout out to all the parents and parishioners who donated items to the Fall scrapbooking project. We appreciate your generosity. It was a big success.

Mrs. Manzo

Holy Rosary is blessed to have Mrs. Patricia Manzo as the head chef at Holy Rosary Catholic School. Mrs. Manzo has been serving in this role for the past two years. Her service to our school is vital, as we celebrate Food Service Week, in providing high quality and delicious food for our staff and students.

When asked, Mrs. Manzo said that her favorite part of working at Holy Rosary is "I love working her, in the community working with good people, interacting with funny kids, and having the opportunity to serve wholesome food to our youth!"
